

CONSERVATION CHAMPIONS ACTION PACK

4 PROGRAMS
\$595 per class
***UP TO 35% OFF!**

Join the Calgary Zoo in its mission to sustain wildlife and wild places.
Spend your year on a conservation education field study with us!
Includes 3 school programs throughout the year and an invitation to our Conservation Champions Festival to share all of your work with the public.
A beautiful way to enhance your inquiry-based projects and inspire your students to make a difference!

Includes

2 programs/edu-treks of your choice

*may include limited-access experiences like our Carnivore Road Tour

1 Virtual Safari (using Google Hangouts)

Invitation to our Conservation Champions Festival in June

Support from conservation education staff

Your participation

The class creates a conservation project based on their interest and inspiration and shares it with zoo visitors at the Conservation Champions Festival (week of June 16)

The class/educator submits year-end report and photos

Cost: \$595 per class

*up to 35% off; regular programs cost up to \$280 each

*must be booked as a pack

*the same class must take part in all components

*K-3: 27 students per class, 4-6: 32 students, 7-12 37 students

*"I loved that it allowed students the entire school year to delve deep into their inquiry, with the perfect amount of field trips and various zoo experiences."
~2018/2019 participating teacher*
