

Golden Eagle Flight

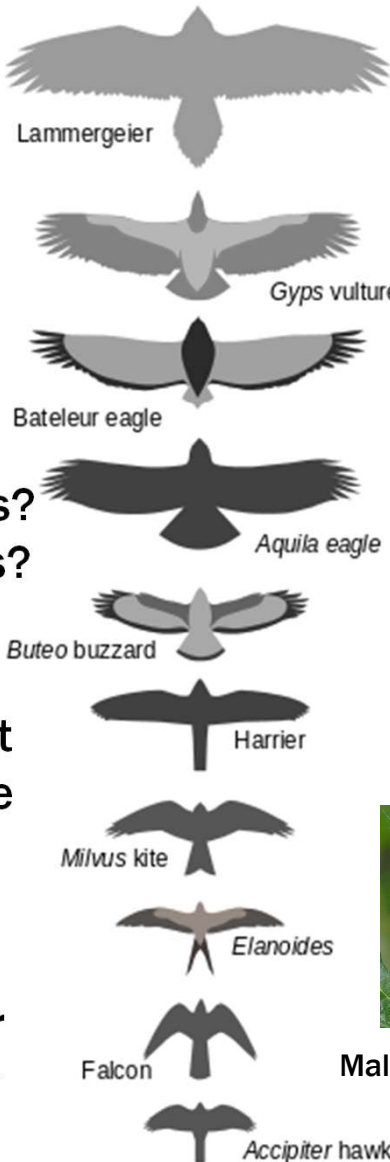

Wide wings to soar

Golden Eagles wings reach over 2 meters wide. That means their wingspan is more than a tall person!

Are you up for the Wing Challenge?

Bird wings come in all sort of shapes and sizes. Decide on your favorite. Are they long, narrow with pointed tips? Broad with rounded tips? What color?

Create a story with what you would do and where you would go if you had wings and could fly. Share your story – you can write it, draw or paint, create a video, or a poem, be creative!

What birds can you spot outside?

Look outside often and see what birds you can spot! Are they flying, hopping, eating, or tweeting?
