

Meerkats Mobbing

This fun game will help you learn some meerkat behaviours and get your whole household up and moving! Each person can take turns being the dominant meerkat and calling the game.

Call the behaviors in any order! You can also play this like “Simon Says!” but instead use, “Meerkat says!”

Dig – use your paws to dig your burrow

Sentry – Stand up on your tiptoes with your paws up

Scorpion – Act like a wild meerkat snack! Lay on you belly with your feet in the air like a Scorpion tail!

Bask – Sit back on your haunches to take in the sun

Burrow – make as tiny of a ball as you can to fit into your burrow
