Welcome To Zooventure

A world wildlife experience you'll never forget! Hike up through the Rockies to find big horn sheep, caribou, owls, grizzlies, cougars, moose and many more animals who call Canada home. Safari through the savannah to see hippos, giraffes, zebras, lions and lemurs roaming. Trek to the heart of Africa as you visit the gorillas. Meander through the tranquility and serenity of the Dorothy Harvie Gardens. Venture East to watch the playful antics of Japanese macaques and red pandas. Don't miss the majestic Amur tigers and snow leopards. Then head back in time through Prehistoric Park. Discover and learn about the rare and endangered species in our care, and how you can help protect wildlife and wild places. **Feel great knowing that through your visit, you're directly supporting wildlife conservation.**
