

LOCKED ZOO

Unlock a new event offering for your organization

Discover a customizable experience package developed by the Calgary Zoo. Engage your guests as we provide the tools and content to host this fun and safe event.

HOW IT WORKS

The Locked Zoo is an escape challenge and team building event for adults. The Calgary Zoo has welcomed numerous Calgary based organizations and their employees to several sold out nights! Here's how it works:

About the Game

Guests arrive at their booked times and receive info packs for their teams.

Participants have fun finding clues and solving puzzles as themed game prompts safely guide them through the zoo to complete the challenge.

Food and Drink

Pre-arranged food and drinks can be served with alcoholic beverage options throughout the zoo.

Various options include: boxed meals, full menus via buffet or service, and cocktail receptions

Physical Distancing

The Locked Zoo makes for a safe and fun outdoor or indoor experience. Cohort teams can follow a one-way course with staggered stops to avoid run-ins with other groups. Food items can be pre-ordered and packaged to optimize for safety.
