

Corporate Admission Package

Looking for a safe way to celebrate your employees and their families? Discover a customizable package for your guests to use at their leisure.

HOW IT WORKS

Health Measures

The Calgary Zoo makes for a safe and fun experience. Your guests will feel good knowing that we are following all public health measures.

About the Package

Your guests use their admission package at their leisure; no timed-ticket required. The package is valid up to December 31st, 2021 and redeemed against daily admission only (not valid for ZOOLIGHTS).

Food and Drink

Customize your admission package to include either Food & Beverage vouchers or pre-arranged options for each of your guests.

What if your guest is already a Calgary Zoo member? We'd be happy to provide gift cards for the admission package value – to be used at Concessions, Educational programs, or Special Events!
