Prehistoric Park

Step back in time to when dinosaurs ruled the world. Meet your favourite dinosaurs and get to know the fascinating world of prehistoric creatures.

**This experience is seasonal.*

Penguin Plunge

Meet four exuberant species of penguin: Humboldt, gentoo, rockhopper, and king. This unforgettable experience will transport you with chilly Antarctic air and dazzling aurora lights.

Wild Canada

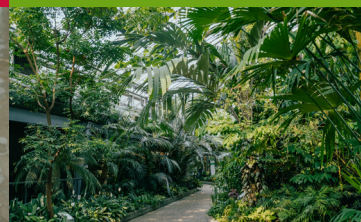
Re-opened in December 2023, the newly redeveloped Wild Canada experience takes you through seven of Canada's ecological zones, celebrating the wonder and diversity of our world; a world where people, animals, and the land are connected.

Destination Africa

Experience the serenity of the savannah and the vibrancy of the rainforest. Discover lions, gorillas, hippopotamuses, giraffes, lemurs, and more.

Imagine Asia

Imagine Asia, which opened summer 2026, is a reimagining of the former Exploration Asia zone. We have welcomed back returning species such as the red panda and snow leopard, and we are excited to welcome a new species to the zoo, the Sichuan takin.

Dorothy Harvie Gardens


Immerse yourself in greenery. Enjoy our seasonal butterfly displays or relax in our stunning indoor gardens that makes for the perfect haven from a chilly winters day. During the warmer months, park up with a picnic on lush lawns and marvel at resident peacocks.
